EDUCATION

DEGREE	INSTITUTION	PERCENTAGE
B.Tech IT (2017-2021)	DMI college of engineering	79%
Senior secondary(+2)	S.A.M.H.S.S	83%
secondary(10th)	S.A.M.H.S.S	95%

SKILLS

Excellent written and verbal communication skills.

Highly active and efficient. Ability to work independently or as part of a team.

Proven leadership skills.

Ability to produce best result in pressure situations.

Eager to learn new things.

EXPERIENCE

MINI PROJECT:QUADRUPED RESCUE SYSTEM

It is robotic based rescue system which is help to rescue the Child from the borewell. Even though i had prepared the model It is a theory based idea which will take a long time to work out.

INTERNSHIP IN PYTHON

I had done my internship in python at the uniq technologies.

WORKSHOP:

I had also done some workshops in **PYTHON, WEB DEVELOPMENT**, etc

PROJECTS

QUADRUPED RESCUE SYSTEM :

It is robotic based rescue system which is help to rescue the Child from the borewell. we also additionally use some sensors For the detection purpose.

AWARDS

Got first place in the project expo at Rajalakshmi engineering college **(REC)**.

Got second place in the project expo at Central leather research institute **(C.L.R.I)**.

Participate in hackathon 2.0 at Jeppiar institute of technology.

Panimalar engineering college.

Participate in science bazar at
